GRAN FORMATO PORCELANICO

XL bath is an innovative project within the bathroom sector focused on panels, shower trays, countertops and bathroom furniture.

Using our large format porcelain slabs and small thicknesses (6 and 12 mm) we offer manufacturers in the sector, the cutting service in our facilities, using the latest technology that allows them to offer a wide variety of designs and finishes for their products without forgetting a very high standard of product quality.

conditions of sale //

condiciones de venta

- Prices are PVP
- VAT not included in the price
- The price of the product is the same as the one delivered to our facilities.
- The price includes the ironworks or anchorages of the products.
- All the articles can be made to measure and the price of the superior reference/measure should always be taken to get the cost of the same.
